

### Business2Banker Connection, Inc.

Our firm is a woman-owned, small disadvantaged, minority business enterprise. We are in process of obtaining certifications as needed for each designation.

The cornerstone and key differentiators of Business2Banker Connection's services are educating business leaders on how to make wise and strategic financial decisions from a bank lender's perspective. Maintaining a solid financial infrastructure is critical to having sustainable growth. Our financial subject matter expertise allows us to serve as a conduit to bridge the knowledge divide that could hinder a company's ability to scale.
